

7 State Circle Annapolis Signs One of the Top Ten Law Firms as a New Tenant

Venable LLP, one of the top ten largest law firms in the Washington DC area has opened their new office in the prestigious 7 State Circle building in Annapolis. Venable currently has offices in New York City, Los Angeles, and throughout the Baltimore/Washington Corridor. Venable is leasing 2,167 SF on the 2nd floor of the state of the art building. Dennis Murphy of Murphy Commercial Real Estate represented the ownership of 7 State Circle and Mackenzie Commercial Real Estate represented the tenant.

7 State Circle is located in the heart of Historic Downtown Annapolis and is a Class A Retail/Office building. 7 State's highly functional and luxurious office suites have clear views of the Capitol Building and allow tenants/owners to have a prominent presence on Main Street. The building also contains an underground innovative automated parking garage which eliminates the inconvenience of finding parking in Downtown Annapolis. Only 2 suites remain for sale/lease, one on the 2nd floor as well as space on the ground floor. Current tenants include The Maryland Automobile Dealers Association and Labelle Cezanne Jewelers.
